## ANARCHY AND ANGELS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.If Heaven won't save a dying girl, why not give Hell a try? The rules are simple- as long as Conner Crypt stays a demon host, his sister keeps breathing. It seems impossible, but the truth stares Conner in the face every time he looks in the mirror, and the facts are impossible to ignore when the other voice inside of his head starts whispering. Conner struggles to get used to giving up control of his body every now and then, but waking up covered in blood is always a shock to the system. Or, at least, it used to be. How long can Conner last before turning into a monster himself? Willow Crypt had grown used to the idea of dying. After five long years of an inoperable tumor eating away at her memories, she never expected to leave the hospital in anything but a body bag. But then, as if a gift from God Himself, a sudden recovery hits, and Willow finds herself back in her house, playing with her dog, eating food, drinking coffee, and enjoying a life without pain. Even though everything should feel perfect, Willow can't help but worry about her little brother, who isn't acting like the boy she remembered. Is the change because of her unexpected return home, or is something wrong with Willow's head again? As Conner falls deeper into the shadows and Willow helplessly watches loved ones disappear in more ways than one, tensions rise and suspicion runs rampant. Will the Crypt family break apart by the hands of anarchy, or will the intervention of angels prove a saving grace?.
