Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Common Mind-Troubles WE all have our failings, and for the most part we regard them tenderly. They do not count as offences; scarcely are they held to be faults. It is always a probable conjecture that an error of omission has been unintentional; not unfrequently it seems possible it was unavoidable. A sentiment of pity for, and even sympathy with, weakness overpowers the sense of grievance; the voice of the inward monitor is silenced, and the self-excused.
