This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

BECI ORPIN - COMPENDIUM OF ME

ERM November 2012, 2012. Trade Paperback. Condition: New. Beci Orpin is a collector. From the stickers, erasers and Coke bottles she hoarded as a child, to the assortment of odds and sods she accumulates today are central to the way she makes sense of the world around her. 'Compendium of Me' is a vivid rendering of such domestic and creative flotsam and jetsam in which she takes her home-studio as a setting for her vibrant, colour-rich arrangements.
