

The Tell - Tale Start (Paperback)

Filesize: 5.28 MB

Reviews

This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Miss Celia Volkman)

Puffin Books, United States, 2013. Paperback. Condition: New. Sam Zuppardi (illustrator). Language: English . Brand New Book. Meet Edgar and Allan Poe -- twelve-year-old identical twins, the great-great-great-great-grandnephews of Edgar Allan Poe. They look and act so much alike that they re almost one mischievous, prank-playing boy in two bodies. When their beloved black cat, Roderick Usher, is kidnapped and transported to the Midwest, Edgar and Allan convince their guardians that it s time for a road trip. Along the way, mayhem and mystery ensue, as well as deeper questions: What is the boys telepathic connection? Is Edgar Allan Poe himself reaching out to them from the Great Beyond? And why has a mad scientist been spying on the Poe family for years? With a mix of literary humor, mystery, a little quantum physics, and fun extras like fortune cookie messages, letters in code, license plate clues -- and playful illustrations throughout -- this series opener is a perfect choice for smart, funny tweens who love the Time Warp Trio, Roald Dahl, and Lemony Snicket.
