

Warrior Politics (Paperback)

By Robert Kaplan

Random House USA Inc, United States, 2003. Paperback. Condition: New. Reprint. Language: English . Brand New Book. In Warrior Politics, the esteemed journalist and analyst Robert D. Kaplan explores the wisdom of the ages for answers for today's leaders. While the modern world may seem more complex and dangerous than ever before, Kaplan writes from a deeper historical perspective to reveal how little things actually change. Indeed, as Kaplan shows us, we can look to history's most influential thinkers, who would have understood and known how to navigate today's dangerous political waters. Drawing on the timeless work of Sun Tzu, Thucydides, Machiavelli, Hobbes, among others, Kaplan argues that in a world of unstable states and an uncertain future, it is increasingly imperative to wrest from the past what we need to arm ourselves for the road ahead. Wide-ranging and accessible, Warrior Politics is a bracing book with an increasingly important message that challenges readers to see the world as it is, not as they would like it to be.

Reviews

This is the very best publication i have got go through until now. I am quite late in start reading this one, but better then never. I discovered this pdf from my dad and i encouraged this book to understand.

-- **Casimer McGlynn**

I actually started out reading this article ebook. This is for those who statte that there had not been a worth reading. Its been developed in an extremely easy way and it is just after i finished reading this book in which in fact modified me, change the way i really believe.
