

Animals in Translation: The Woman Who Thinks Like a Cow (Paperback)

By Temple Grandin

Bloomsbury Publishing PLC, United Kingdom, 2006. Paperback. Condition: New. New edition. Language: English . Brand New Book. Animals in Translation is the culmination of Temple Grandin s extraordinary life s work, drawing upon the latest research, her distinguished career as an animal scientist and her own experience of being autistic. With co-author Catherine Johnson, Grandin argues that while normal people convert experience into words and abstractions, animals and autistics process the world as sensory information - specific pictures, sights and sounds. This difference is the key to understanding how animals see, think and feel. As much a revelation about life with autism as it is about life with animals, Animals in Translation explores pain, fear, aggression, love, friendship, communication and learning in a startling book that will change the way you think about animals.
