Hal Leonard Corporation, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. More than four decades since their first album, and 35 years after the release of the iconic Dark Side of the Moon , Pink Floyd continue to inspire and mystify rock fans around the world. Pink Floyd FAQ , by pop culture author Stuart Shea, lays out the band s strange, winding history through a new series of prisms. What were the band s most memorable gigs? What are their greatest moments on record, as a group and individually? What contemporary records influenced them, and which performers follow in their wake? What was it like to be at a Pink Floyd show in 1967, in 1973, in 1980? Pink Floyd FAQ tells the band s story, dissects their most popular work, and provides little-known facts, all adding up to a provocative must-read for fans. With 400 pages of stories, history, observation, opinion, photos, and reminiscences from those who were there, Pink Floyd FAQ will discuss frankly what made the band great - as well as note their not-so-great moments - and their place in modern pop culture, giving credit where credit is due - and maybe puncturing some inflatable pigs along the way.
