Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published e-publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace, United States, 2011. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Award-winning author and humorist Gordon Kirkland, has taken his innate sense of humor and combined it with his love for a good mystery to create Crossbow. The resulting novel is best described as marriage between Fargo and the darker passages of the Old Testament. Someone is killing the residents of a small Kansas town. Although the victims appear to have been randomly chosen, the killer has, in fact, decided that they must die for biblical transgressions he believes they have committed. Among the first to be slain is the County Sherriff, leaving two deputies to try to solve the case before the killer can achieve his ultimate goal of wiping what he sees as Gomorrah on the high prairie off the map, once and for all. The deputies are far from seasoned police professionals. Dave Simmons, the senior of the two, is doing his best to improve by learning new police techniques. He d like to bring geographic profiling to the department, but a serious impediment to that goal is his propensity to get lost whenever he gets behind the wheel of his police cruiser. Chuck Wilson the other deputy would like to be a police dog handler. Unfortunately, the County cannot afford a properly trained police dog, so he is trying to make do with Duke, his own Springer Spaniel, a dog with an intelligence quotient just slightly lower than the average head of cabbage. Added to the mix is a missing romance author who arrived in town to interview the first murder victim just before his death, an ambitious small town newspaper reporter who gets her leads across the pillow from the junior deputy, and the...
