

Respect Rocks: A Behavior Program for Teaching Your Children Respect Responsibility

Filesize: 4.51 MB

Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace, United States, 2013. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.A very effective, easy to follow behavior program created by a Pediatric Nurse and mother of 6. Teach your children about respecting themselves others as well as taking personal responsibility for their chores, homework and lives. This program focuses on teaching children an overall understanding of what it means to be respectful. It also amazingly helps provide an avenue for parents to stop the rudeness, name-calling and arguing between siblings! Most importantly, it helps children to recognize for themselves when something needs to be done. See something that needs to be done, so do it! The Respect Rocks system can be used to create a clear understanding of what is expected, and it is done in a fun, competitive and effective way so that children will learn to take responsibility for their own actions and individual outcomes. It also provides an immediate positive or negative reinforcement for their actions. Follow this mothers story of implementing the system into her family and ultimately learn how to implement it into your family as well. Children will often rise to the challenge when given the opportunity! Bring sanity peace back into your home!.
