What if your home was more sacred than any church or temple? What if you could find spiritual comfort without abandoning your reason or values? What if you could understand why looking into a flame brings you ancient feelings of well-being? What if you could find greater meaning and happiness in your life and strengthen the bonds in your marriage and family? The true spirituality of the home, the faith and flame of Vesta burned in antiquity for centuries, providing a spiritual focus for the home and strengthening marital and family devotion. Today, this tradition has been reignited in the modern world and is being embraced by a new generation of spiritual but not religious women, men and families. In *The New Vesta Home*, the essential companion to *The New Vesta Secret*, marriage author-expert and leading Vestal proponent Debra May Macleod teaches readers how this life-changing tradition can illuminate their lives, relationships and homes. From simple mealtime rituals to skills-based marriage and family-strengthening advice, *The New Vesta Home* is part spiritual treatise and part practical relationship manual. Use it to bring daily sparks of love, devotion, happiness and meaning to your life and home. Read with: *THE NEW VESTA SECRET: FINDING THE FLAME OF FAITH, HOME HAPPINESS*.
