

The Surd of Metaphysics: An Inquiry Into the Question: Are There Things-In-Themselves? (Paperback)

By Dr Paul Carus

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the FOREWORD. THE subject discussed in this book is one of the most important of the problems of philosophy, and it is not difficult to understand that in its application to real life it is of a paramount practical nature, not only in the domains of ethics and religion, but also in our general attitude toward the world and in our every-day doings. The idea of things-in-themselves originates as a natural phase in the evolution of human thought, and its formulation is as necessary as it is for certain purposes beneficial. In denouncing the belief in things-in-themselves as a superstition, we must therefore warn the student not to overlook the truth that is contained in it. For though there are no things-in-themselves, there are things, and, though it is not less wrong to hypostasize our ideas than it is to personify them in mythological figures, we must not regard them as flatus vocis only, as empty words, or mere names. For after all, they denote features of actual life which are real. And the concept of things-in-themselves underlies many...

Reviews

Very beneficial for all type of individuals. I have got study and so i am certain that i am going to going to read through once again once again later on. I am just happy to let you know that this is basically the greatest publication i have study during my own daily life and could be he finest pdf for ever.

-- **Prof. Nelson Farrell MD**

This type of book is every thing and made me seeking forward and more. It is amongst the most awesome publication we have go through. Its been developed in an exceptionally straightforward way and it is only soon after i finished reading this ebook by which actually altered me, alter the way i believe.
