

A Manual of the Cultivation of the Grasses: And Forage Plants at the South (Classic Reprint)

Filesize: 6.42 MB

Reviews

This book might be worth a read, and superior to other. Of course, it really is engage in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Prof. Valentin Hane MD)

A MANUAL OF THE CULTIVATION OF THE GRASSES: AND FORAGE PLANTS AT THE SOUTH (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Manual of the Cultivation of the Grasses: And Forage Plants at the South The rapid exhaustion of the first edition of two thousand copies of this little manual has emboldened me to offer another edition, revised and enlarged. It has been bought by farmers and others in all the Southern States, from Virginia to Texas inclusive. One business firm in North Carolina has already distributed one hundred copies of the former edition gratuitously among its customers, and has ordered in advance five hundred copies of this edition for the same purpose. Such results are gratifying to me in a double sense. First, as indicating a kindly appreciation of my humble efforts. Second, as offering evidence of an increased attention in the South to a diversified agriculture. The conviction is daily strengthening in my mind that we shall not attain agricultural prosperity until exclusive cotton culture is abandoned, and we learn to make a large proportion of our soil productive without labor. This result can be accomplished only by the culture of the grasses, whether native or artificial. In hope of aiding in this consummation devoutly to be wished for, this second edition is issued. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully;...
