## POSITIVELY PIPPA (PAPERBACK)

Kensington Publishing, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Sarah Hegger's voice is rich and witty and in a word, addictive. --Terri Osburn From author Sarah Hegger comes an exciting new series set in small-town Utah, where secrets don't keep for long--and love turns up in the most unexpected places. For Pippa Turner there's only one place to go when her life self-destructs on national TV--home to Ghost Falls, and her heavily perfumed, overly dramatic, but supremely loving grandmother, Philomene. If anyone will understand how Pippa's hit makeover show was sabotaged by her vengeful ex, it's Phi. But she's not the only one who's happy to see her--and Pippa can't help but wonder if Matt Evans, her gorgeous high-school crush turned Phi's contractor, is game for a steamy close-up. Matt owes his whole career to Phi and her constant demands to embellish the gothically ridiculous house he built for her. Getting to see red-headed, red-hot Pippa is a bonus, especially now that she's no longer the troublesome teenager he remembers. He's willing to stay behind the scenes while she gives her own life a much-needed makeover, but not forever. As far as he's concerned, their connection is too electric to ignore. And the chance to build something lasting between them--before she can high-tail it back to Hollywood--is going to the top of his to-do list. Praise for Sarah Hegger and her Willow Park Romance series Hegger offers a breath of fresh air in the romance genre. --RT Book Reviews Hegger's characters have real chemistry, especially in the bedroom. --Publishers Weekly.
