But for those who don t think of themselves as writers, putting experiences into words can become more stressful than inspirational.Writing Abroad is meant for travelers of all backgrounds and writing levels: a student embarking on overseas study; a retiree realizing a dream of seeing China; a Peace Corps worker in Kenya. All can benefit from documenting their adventures. Through practical advice and adaptable exercises, this guide will help travelers hone their observational skills, conduct research and interviews, choose an appropriate literary form and incorporate photos and videos into their writing. Writing about travel is more than just safeguarding memories it can transform experiences and tease out new realizations. With Writing Abroad, travelers will be able to deepen their understanding of other cultures and write about that new awareness in clear and vivid prose.
