Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.When two worlds collide, there will always be fallout. Blending two families with cultural and economic differences is a headache. We moved to a nicer town, and some of the people from my old neighborhood dont like that. Then again, Id prefer distance from a few in my past. A criminal ex of my cousin made a lot of trouble for me and one of my stepsisters. That was all I needed while I was getting used to my new stepdad and sisters. But, Chloe and I were off to a good start. We were actually friends and starting to make plans for our senior year of high school. Then life comes and tosses crap in my face. The death of my favorite uncle is bad enough. He was the only stable man in my life before my stepdad. Now, that criminal, or one of his minions, is cyber stalking me. The whole thing is way beyond awkward. But, the worst is my real Dad turning up and unleashing nearly seventeen years worth of my pain and pent up rage during my sisters quinceañera. My bio dad wasnt reliable or secure like my stepdad. Bio dad stopped coming around when I was seven. Is he after money, attention, or something genuine? Whatever it ishell have to go through me before he hurts my mom or sisters, again. Good guys are few and far between, but Id rather wait forever than settle!.
