

Ophthalmic Literature, Vol. 3: November, 1913 (Classic Reprint) (Paperback)

By Edward Jackson

Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Ophthalmic Literature, Vol. 3: November, 1913 Any book so carefully read that both its contents and method of arrangement are mastered can be readily used as a book of reference if its system of arrangement is remembered. But the number of books with which one reader can become thoroughly familiar is quite limited. The student who would extend his knowledge more widely and bring together facts not hitherto collected must have other resources. He can do little without indexes, dictionaries, and the ever growing class of books for reference. To gain a first general view of ophthalmology by reading, one does best to study a good text-book carefully from cover to cover. Later a similar book by a different author may be taken and read in the same way. But every time this process is repeated it becomes less and less profitable. To master and command the information he obtains from books, each student must develop his own individual arrangement and association of knowledge. When this has been done the most profitable method of study is, not...

Reviews

Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Annette Boyle**

The best publication i actually study. We have study and that i am certain that i will likely to study once more again later on. Your daily life span will likely be transform the instant you total reading this book.
