Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Dear Reader, Genetics study says, life expectancy is decreasing day by day, previous generation was becoming baldy, getting dead white hairs or getting diseases like coronary arteries, diabetes, in the age of 45-50 but now today s generation is becoming baldy or getting all these diseases and aberrations in genes in the age of 23-28. And they transfer that weakness, these genetically modified traits to their coming generations. They are getting younger and older in the age of 13-20 years. Our previous generations have got the wrong knowledge pertaining to lifestyle, religions etc and they have transferred them to us and we are transferring them to our coming generations. This is genetics. This unwanted energy makes us to collect assets, to lie, to pretend, to make corruption and it always has adversely bad effect for generations. Why mostly rich people suffer all the time? By reading this book, you can stop the ageing factor (becoming older in very early age) which is growing haphazardly. Save yourself from agony, frustration depression. Know the genuine truth; know the answers of your questions future. You will always be ruled, if you don t try to know the truth. Nobody can stop this chaos until they know it. This may be the last opportunity to reveal it; will we never know the truth? Today whatever bad happen with you is because, the effect of whatever wrong karma your ancestors did and the same characters you also bear. Why this kind of punishment you suffer through you should know. Your behavior your treatment shows how your religion is. Mercy is there but only in speaking not in practical life. Why women suffer the most, characteristics of women...
