iUniverse, United States, 2002. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The continuing chronicles of the Second Neoluzian War. In The Oath of the Necromancer, the tide of war rises against the good races of Neoluzia by the marauding armies of the Orcs from the north. The Orcs are led by Arkan Spiritstrike, a powerful Orc wizard who drives his forces to fulfill an Orc destiny designed over one thousand years ago. After the Veiled Institution restores Darius, David Parr is given the opportunity to return home to Earth, a place the Veiled Institution has declared a forbidden world. Before he leaves, Parr is taken from his elven hosts by a disciple of the Veiled Institution so that he can be shown the true security danger in Neoluzia. Armed with this new information, Parr reluctantly decides to remain in Neoluzia so that he can find the great necromancer Termaplix, the last remaining hope for the salvation of the land. With his dark elven companions and a feisty dwarven paladin, David seeks to deliver this message tasked by Darius to the Salon of Enlightenment. Unknown to Parr however, the Orcs have planned to prevent his valiant party from leaving the elven forest of Frontentia alive and the stranger from Earth finds that he cannot escape The Second Neoluzian War.
