The year is 1899 and the Travelin Nine are barnstorming their way across the good ol U. S. of A., trying to raise money to pay off the Payne family's big-league debt. Pulling into Chicago, Griffith has a run-in with an enormous thug and is more convinced than ever that the nefarious robber baron called The Chancellor knows about their magic baseball. Ruby also has an encounter with a mysterious stranger, and even though she doesn't know why, she knows that he will change the Travelin Nine.
