Indian Oil Corporation Limited is the flagship national oil company in the downstream sector. Its objective is to maintain the highest market share in all its product portfolios. So this project was assigned to me to contribute towards the goal of this organization as well as this was a good exercise from my learning point of view. The basic approach in this project is identifying what are the reasons for decrease in the sale of IOCL bitumen market in West Bengal due to import of bitumen by importers or customers themselves. To know the perception of the customer about the imported bitumen. By using such information we can analyze market conditions and can make our policies to acquire highest market share. 64 pp. Englisch.
