

## Raising High-Octane Kids: High-Octane Fuel for Raising High-Octane Kids (Paperback)

By Michael J Adams

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.High-Octane children often sputter and stall when they are not driven and operated the way their Creator designed them. They require specialized, focused attention and discipline in their lives to perform the way God designed them. This design can be seen at an early age through observation and interactive relationships. As your child develops into a teenager, assessments can be administered to sharpen your understanding of how God designed them. Benefits of raising High-Octane children. Their attitude about life is one of purpose. Motivation is built in by God himself. They have focus. They have personal significance. They have more self-confidence. Selecting the right major in college. The future is one of meaning and fulfillment. All of us are born with built-in traits which well up from whom we are meant to be (Eph 2:10.) When these attributes, behaviors, temperaments and personality traits are given external guidance and stimulation, they provide High-Octane fuel in which our children find purpose, passion and drive which motivate them to excel and perform as the Creator originally designed. It is not a simple thing to discover these...
