

Architect of Union Victory? Montgomery Meigs, Jomini and Union Success in the American Civil War (Paperback)

Filesize: 4.93 MB

Reviews

The publication is straightforward in study safer to recognize. It is written in straightforward words and never hard to understand. It has been printed in an extremely straightforward way and it is just after I finished reading this book through which basically modified me, affected the way I think.

(Percy Bernhard)

ARCHITECT OF UNION VICTORY? MONTGOMERY MEIGS, JOMINI AND UNION SUCCESS IN THE AMERICAN CIVIL WAR (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book will look at the person he chose to make that support a reality, Brigadier General Montgomery C. Meigs, who served as the Quartermaster General of the Union Army. Although BG Meigs was commissioned as an engineer with no formal logistics training, his pre-Civil War assignments, innate intelligence and integrity, as well as an iron will all contributed to his ability to succeed in arguably one of the toughest assignments in the military at that time. His performance as the Quartermaster General was nothing short of phenomenal. Reviewing his performance, methods, and execution during campaigns throughout the war, the book will suggest answers to the following questions: To what extent did Montgomery C. Meigs contribute to the Union success in the American Civil War? Did Jominian principles shape his approach? Are Jomini's principles still applicable to the modern day execution of logistics?.
