GRIN Verlag GmbH Mrz 2015, 2015. Taschenbuch. Book Condition: Neu. 210x148x2 mm. This item is printed on demand - Print on Demand Titel. Neuware - Research Paper (Pre-University) from the year 2014 in the subject American Studies - Culture and Applied Geography, grade: 1, , language: English, abstract: Canadian or American - A small or an essential difference The question already implies that the subject of this thesis is focusing on culture and aspects of civil society rather than e.g. geographical differences. Every country differs respectively its society from another but The United States and Canada are often assumed to be one of the most similar neighbours in the world. This is not surprising, due to the fact that 90 % of Canada's population lives within 120 kilometres of the US border. So, is national identity really a matter of distance As the years go by this lively-discussed issue has induced many sociologists and psychologists to research but a general consensus has never been found. Canadians usually feel offended when they are named Americans and over the centuries Canada has tried to stress its unique identity and culture. Unfortunately, this phenomenon is often associated with the terms of 'Canadian Nationalism'...
