Brand New Book ***** Print on Demand *****.Excerpt from The Glory of Serbia Being a Reprint From the Gods in the Battle It is a great honour for me to preface it, although I am conscious that my words could never equal his sublime eloquence and passionate desire to see Iniquity punished and Justice triumphant in the world. I am confident that every reader of his words will feel in them the beating of the noble heart of France, that France who, bleeding from her own wounds inflicted by an overbearing invader, is still subduing her own pains to give comfort and assistance to Serbia, the weaker sister in the path of glory and sacrifice; that France who, forgetting neither her own children nor her sacred soil trampled under the foot of brutal slave-drivers, still in the nobility of her character is burning with just indignation at the foul Bulgaro German conspiracy against Serbia and European liberties.
