

## Blackbirds

Filesize: 5.48 MB

### **Reviews**

*This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.*

BRILLIANCE AUDIO, United Kingdom, 2015. CD-Audio. Book Condition: New. Unabridged. 170 x 132 mm. Language: English . Brand New. The first book in the Miriam Black series: A sassy, hard-boiled thriller with a paranormal slant ( The Guardian ) about a young woman who can see the darkest corners of the future. Miriam Black knows how you re going to die. This makes her daily life a living hell, especially when you can t do anything about it, or stop trying to. She s foreseen hundreds of car crashes, heart attacks, strokes, and suicides. She merely needs to touch you skin to skin contact and she knows how and when your final moments will occur. Miriam has given up trying to save people; that only makes their deaths happen. But then she hitches a ride with Louis Darling and shakes his hand, and she sees in thirty days that Louis will be murdered while he calls her name. Louis will die because he met her, and Miriam will be the next victim. No matter what she does she can t save Louis. But if she wants to stay alive, she ll have to try. Think Six Feet Under co-written by Stephen King and Chuck Palahniuk ( SFX ), and you have Blackbirds a visceral, exciting novel about life on the edge.
