MEME (PAPERBACK)

Sean Anthony Publishers, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What is the nature of reality? Where did we come from? Is there a God? What is the point of life? Give your brain a shake and take on a radically new understanding of your world by joining author Sean Sinjin as he fills in the gaps in our contemporary understanding of everything from physics to religion, from the universe s birth to its death, and how to find happiness in the midst of all this seeming chaos. Meme pits science against the supernatural in a final battle that can only end with the truth. Intentionally written with the layperson in mind, the entertaining analogies, diagrams, and clearly stated concepts construct a complete and purpose-filled perspective on what reality really is. An open mind and heart are the only prerequisites but be warned, the concepts introduced herein can be quite overwhelming and may change your life forever. Come to // for excerpts from Meme.
