Kensington Publishing, United States, 2014. Paperback. Condition: New. Reissue. Language: English . Brand New Book. When Kyla discovered her unexpected attraction to a female friend, she was confused and scared. Her boyfriend was left wondering what happened to their love. Now she's starting all over in Atlanta. Life has taught her to be true to herself, and she has matured into a self-confident, free-spirited woman. She makes an attempt to bandage aching wounds through shallow relationships and empty encounters--that is, until her dream mate arrives and seduces her tender heart to love once again. Can she move forward in a relationship, or will fantasies and invitations from the past lure her back to a time and place she's spent years hiding from, yet can't let go? You Make Me Wanna, the follow-up to Double Pleasure, Double Pain, answers the question readers have been asking: What happened to Kyla?
