

Exploring Philip Pullman's His Dark Materials

By Gresh, Lois H

St Martins Press, New York, 2007. Softcover. Book Condition: New. First Edition. 210 pages. Multiple copies of this title available. "His Dark Materials" is one of the most popular, award-winning trilogies of all time. With the upcoming film release of the "The Golden Compass" by New Line Cinema, the producers of "The Lord of the Rings" trilogy, interest is sure to skyrocket for this bestselling series that the "New York Times" called "a modern classic." For the first time ever, Lois H. Gresh helps young readers examine Pullman's intricate universe with "Exploring His Dark Materials", the ultimate companion guide. Gresh's fun, interactive book explores the complex science, religion, and fantastic elements of "His Dark Materials" in a way that's both informative and fun for younger readers. "Exploring His Dark Materials" is filled with sidebars, history, facts, and an in-depth analysis of the books, answering questions like: What are daemons? Why is dust important to the series? Is Dark Material real and how does it relate to our universe? And, what are the origins of ghosts and shapeshifters? "Exploring His Dark Materials" is the first and only guide for young adults to help them explore this fantastic and challenging fantasy world....
