National Geographic Society, United States, 2005. Hardback. Condition: New. New.. Language: English . Their survival skills, efficient networks, and dynamic culture have enabled them to thrive and spread, and to be at the very core of the settling and development of the Americas. Their migrations have changed not only their world, and the fabric of the African Diaspora but also their nation and the Western Hemisphere. Between 1492 and 1776, an estimated 6.5 million people migrated...
