Wipf Stock Publishers, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Description: While the concept of partnership between churches in the Global North and South has been an ecumenical goal for well over eight decades, realizing relationships of mutuality, solidarity, and koinonia has been, to say the least, problematic. Seeking to understand the dynamics of power and control in these relationships, this work traces the history of how partnership has been lived out, both as a concept and in practice. It is argued that many of the issues that are problematic for partnerships today can find their antecedents during colonial times at the very beginnings of the modern missionary movement. For those interested in pursuing cross-cultural partnerships today, understanding this history and recognizing the use, as well as the misuse, of power is crucial as we seek genuine relationships of care and friendship in our fractured and divided world. Endorsements: In reviewing the history of Protestant mission work, Barnes exposes major themes or issues that cause those of us from the West to continually fall short in realizing mature ecumenical relationships, and through this analysis helps us see new possibilities for these relationships in the future. --Graham Duncan, Professor of Church History and Church Polity, University of Pretoria Power and Partnership is a salutary text on partnership within the international ecumenical scene, for at least three reasons. First, as a book tracing the contours of partnership, it provides insights into a concept that has been closely associated with the modern ecumenical movement. Second, it highlights the need for a new impetus in both theory and practice of partnership. Third, while the focus is on historical analysis, it also lifts out key issues still dogging the global ecumenical journey--notably the contestation of power...
