The Yellow Wallpaper (original title: The Yellow Wall-paper. A Story) is a 6,000-word short story by the American writer Charlotte Perkins Gilman, first published in January 1892 in The New England Magazine. It is regarded as an important early work of American feminist literature, illustrating attitudes in the 19th century toward women s health, both physical and mental. The story depicts the effect of understimulation on the narrator s mental health and her descent into psychosis. With nothing to stimulate her, she becomes obsessed by the pattern and color of the wallpaper.
