Reviews

It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have ever read through during my individual life and might be the finest publication for ever.

GRID-DOWN SURVIVAL GUIDE: HOME DEFENSE (PAPERBACK)

Whitman Publishing, 2014. Paperback. Condition: New. Language: English . Brand New Book. The third installment of the series is dedicated to home defense. The first section of this book provides useful and practical instruction for fortifying and protecting your castle. We discuss ways to make your home safer and less likely to be targeted, along with offering information about how to make it more difficult to penetrate. We explain inner and outer layers of defense and what weapons work for each. We also describe how to organize lookouts and watches with suggestions for alarms, barriers, and cameras that will help you defend your home. Every household needs this basic guide to formulating a security plan to use when society descends into chaos.
