### **Reviews**

*Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.*

## WRITE ON, RIGHT ON: A COLLECTION OF POEMS

Epigraph Publishing, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Write On, Right On is a book of poems written and compiled by Justin Ward. The poems in this text deal with social issues, personal experience, and life perception. The purpose of this work is to encourage others to learn to communicate effectively by helping create positive habits of reading, writing, and communicating effectively. Why poems? Well, poetry has been an interest of mine for most of my life, ever since I learned to read. I also enjoy music; the power of the message in music intrigues me. Public speakers such as teachers, preachers, and others have grabbed my attention many times because of the person s ability to effectively communicate the point clearly and concisely. So, I have decided to combine education, communication, and entertainment in poetry to make people think and think differently. With so many mediums of communication, people often overlook the power reading, so I created small packages of powerful information crafted to make you laugh, cry, and learn. Ultimately, I want you to think and be more inspired about your existence. I hope you can find your purpose, and unleash your passions to produce the life envisioned for you. Hopefully, this book is a true page turner for you. May you find value between these pages because my intention is to lead, motivate, and educate others in order for us all to elevate to the level in life for which we aspire. J. DeVaughn Ward is a graduate of Auburn University with a Bachelor s degree in English and from Walden University with a Master s degree in Instructional Design and Technology. He has taught exceptional education, Language Arts and Reading...
