Reviews

It is one of the best book. Better than never, though i am quite late in start reading this one. You won't feel monotony at any moment of the time (that's what catalogues are for regarding in the event you check with me).

CADCAMCAE Works, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The SolidWorks 2017 Black Book is the forth edition of our series on SolidWorks. With lots of additions and thorough review, we present a book to help professionals as well as learners in creating some of the most complex solid models. The book follows a step by step methodology. In this book, we have tried to give real-world examples with real challenges in designing. We have tried to reduce the gap between university use of SolidWorks and industrial use of SolidWorks. In this edition of book, we have included many new features of SolidWorks like 3D printing, SolidWorks MBD (Model Based Definition), Magnetic Mates, Asset Builder, 3D PDFs, and so on. There are about 60 topics newly added in this book which were not in the previous edition. The book covers almost all the information required by a learner to master the SolidWorks. The book starts with sketching and ends at advanced topics like Mold Design, Sheetmetal, Weldment, and SolidWorks MBD. Instruction through illustration The instructions to perform any action are provided by maximum number of illustrations so that the user can perform the actions discussed in the book easily and effectively. There are about 1059 illustrations that make the learning process effective. Tutorial point of view At the end of concept s explanation, the tutorial make the understanding of users firm and long lasting. Almost each chapter of the book has tutorials that are real world projects. Moreover most of the tools in this book are discussed in the form of tutorials. Project Free projects and exercises are provided to students for practicing. For Faculty If you are a faculty member, then you can ask for video tutorials on any of the topic,...
