Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.ISBNs - International Standard Book Numbers: A Desktop Resource For Self-Publishing Authors is an author s resource about a subject they hear about all of the time and that publishing platforms require but most authors really don t know anything about ISBNs. I have 10-years of college and five degrees. People expect me to know things that I simply don t know and sometimes don t want to know. I sincerely could have done without the knowledge of colonics and what a Brazilian is when the girls in my office began gabbing about these two subjects. I always thought a Brazilian was a tiny little dude from Rio de Janero.no it s not.go with me on this one. I m still trying to figure out the lyrics to the 60s song Louie Louie and I have no idea where flies sleep at night (lol). So much for 10-years of college! Here s my point: there are some things we encounter daily that we know little about but use these things daily too. Furthermore, we also use words in...
