Brand New Book ***** Print on Demand *****.This collection of essays considers topics in pastoral theology, pastoral care and counseling, pastoral leadership, and social work, and attends to challenges and opportunities pertaining to the support and care of persons in need. Of interest to ministers, chaplains, pastoral counselors, and social workers, these essays focus particularly on human experiences, needs, or concerns that relate to matters of mental health and religious faith or spirituality. This book will find its place not only in survey courses in pastoral care and social work but in doctoral seminars on the history...
