Brand New Book ***** Print on Demand *****.Runs From Sun languishes in a pit, fighting off strange creatures from deep within the world and awaiting trial for his crimes. Imprisonment has sapped his sanity, leaving him more than a little mad. The elders of his people, a race evolved from rats, condemn Runs From Sun to join other pilgrims on a journey to cleanse them of their sins and discover truth. He s hardly willing, but has little choice in the matter. With him travels his brother, He Is Like Dust From Fire, and the fiercely named First To Fight. Runs From Sun must traverse a land without hope, where powerful war chiefs govern city-like camps, unspeakably old creatures strike from deep tunnels, and predatory beasts haunt his every step. At the end of his journey, Runs From Sun will have found something, but whether it s enlightenment or despair remains to be seen.
