Dr. Charles and Frances Emily Sheard. During his boyhood days he lived in Richfield Springs, Cape Vincent and Clayton, in the State of New York. His elementary education was finished in the schools of Canton, New York; in 1899 he was graduated from the Canton High School. He received the baccalaureate degrees from St. Lawrence University in 1903. After teaching in the public schools for two years, he entered Dartmouth College as an assistant in physics, where he remained until 1907, receiving at that time the master of arts degree. In the fall of that year he was appointed an instructor in physics at the Ohio State University and in 1910 was appointed assistant professor in the same institution. The year 1912 was spent at Princeton University, from which institution he was sent out with the highest scholastic degree granted by universities, the degree of doctor of philosophy, having presented original theses along the...

Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
