Christians Unite!. Paperback. Condition: New. 82 pages. Dimensions: 8.5in. x 5.5in. x 0.2in. Christians Unite! Saving the USA is a quick four hundred year walk through our countrys Christian heritage to the path were on today. This story begins in 1620 with the Pilgrims landing at Plymouth Rock. They came for the glory of God and advancement of the Christian faith. Through many rough years, they faithfully fought for independence, a new government, and a constitution ensuring the religious freedom of all who would call this land home. Patrick Henry said, at the signing of the Constitution, It cannot be emphasized too strongly or too often that this great nation was founded, not by religionists, but by Christians; not on religions, but on the gospel of Jesus Christ! How sad that today we see God being systematically removed from our government and our schools. The very government that God ordained in 1789, now targets Christian organizations and binds the hands of those who speak out for morality and life. This book is a wake-up call and a call to action! The final chapters lay out a vision and a plan to take up His cross and reestablish Gods presence in our culture and our government by 2020. And when we do, we have the promise of victory by God himself, But seek first His kingdom and His righteousness, and all these things will be added to you. (Matthew 6: 33) By the grace of God and our actions, the 2020 vision can become a reality. Unite with us. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN.
