Collaborative Public Management: New Strategies for Local Governments

By Michael McGuire

Georgetown University Press. Paperback. Book Condition: New. Paperback. 232 pages. Dimensions: 8.8in. x 6.0in. x 0.6in. Local governments do not stand alone -- they find themselves in new relationships not only with state and federal government, but often with a widening spectrum of other public and private organizations as well. The result of this re-forming of local governments calls for new collaborations and managerial responses that occur in addition to governmental and bureaucratic processes-as-usual, bringing locally generated strategies or what the authors call jurisdiction-based management into play. Based on an extensive study of 237 cities within five states, Collaborative Public Management provides an in-depth look at how city officials work with other governments and organizations to develop their city economies and what makes these collaborations work. Exploring the more complex nature of collaboration across jurisdictions, governments, and sectors, Agranoff and McGuire illustrate how public managers address complex problems through strategic partnerships, networks, contractual relationships, alliances, committees, coalitions, consortia, and councils as they function together to meet public demands through other government agencies, nonprofit associations, for-profit entities, and many other types of nongovernmental organizations. Beyond the how and why, Collaborative Public Management identifies the importance of different managerial approaches by breaking them...
