Reviews

Without doubt, this is actually the greatest function by any article writer. It is among the most amazing publication i have got read. Its been printed in an exceedingly basic way in fact it is simply after i finished reading through this publication where in fact changed me, change the way i believe.

(Arielle Ledner)

CURVES TO THE APPLE: THE REPRODUCTION OF PROFILESLAWN OF EXCLUDED MIDDLERELUCTANT GRAVITIES

New Directions Publishing Corporation. Paperback. Book Condition: New. Paperback. 272 pages. Dimensions: 8.9in. x 6.0in. x 0.4in. Three pivotal works conceived by the avant-garde poet as a trilogy and now together in one volume at last. Rosmarie Waldrop's *Curves to the Apple* brings together three highly praised and influential titles: *The Reproduction of Profiles*, *Lawn of Excluded Middle*, and *Reluctant Gravities*. Though originally published separately, these prose poems have always been intended as a loose trilogy of thought and feeling or of thought manifested as feeling. The author comments: Just as the title *Curves to the Apple* combines the organic and geometry (not to mention myth and history of science) the poems navigate the conflicting, but inextricable claims of body and mind, especially the female body and feelings in a space of logic and physics. The poems could all be called dialogic, reaching out across a synaptic (sometimes humorous) gap to a possible you (though it may be rhetorical, another point of view in the same mind). But while the I dominates the first two volumes, the third gives both voices equal space and chance. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
