Stephen discovers how profoundly his six-week experience with Arianne changed him with school s resumption. He feels her presence daily and finds he must carry forward the lessons she taught. He meets Gina Cameron in his first class of the new term; she helps Stephen teach his first important lesson through song. Stephen s friends also make discoveries in their lives. Richard Fuller returns to his classes in Philadelphia more confident and assertive than in the past. Andrew Thompson finds changes in his high school orchestra . some of which enormously displease him. His actions have repercussions far beyond Arianne s final lessons for him. As school progresses, Stephen, Doug, and Jason prepare the orchestra for their fall performances, the first of which takes them to an elementary school. Stephen meets second-grader Elinor Rogers through an unexpected musical duet. The little girl simply astonishes him. Andrew Thompson s outburst forces both his principal and orchestra teacher to reassess their positions on the school s music program. Andrew has thrown them a challenge which they simply cannot ignore. Consequently, Stephen and Doug make a return trip to the Philadelphia area, where they lead an orchestra clinic for Andrew s orchestra-the orchestra where Arianne once played. The trip inspires the young men from Clarkstowne to make new friends and deepen their friendship with Andrew. And, during this trip, Stephen has another encounter with seven-year-old Elinor, who will put everything he learned from Arianne to the test. She and her mother are on the bus with Stephen and Doug for the return trip to Clarkstowne; when the bus crashes, Stephen discovers that, suddenly, he is all she has left in this world
