By Matthew J P Sturt-Scobie

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Quite the Sour Minds Act is the first instalment of a collection of Short stories and Poetry by Matthew J.P. Sturt-Scobie. It is an experience rather than any concrete story that begs to be navigated and interpreted on an individual level. Within are passages that explore dream worlds, fantasies and absurdities beyond your wildest imagination. Heavily laden with the fragments of the creative process and unapologetically delivered . It is a bold and original rumination on human psychology, society, and the meaning of life itself.
