

Reclamation Series Volume 2 Organ Donors

By Vic Broquard

Broquard eBooks, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Reclamation Series examines our future world, beginning in the year 2270. Via many medical advances of the past century, world health care has taken an enormous step forward, thanks to the psychs with their fancy implant machines, the drug manufacturers, and the corporation executives, who now control the world. The psych drug Pytalon coupled with their PDH (pain, drug, hypnotism) implant technology has turned civilization around-no more wars, no more criminality, and jobs for everyone! Utopia. The Total Care program provides jobs, homes, food, and clothing for everyone, using the motto From the Cradle to the Grave -except the drug turns people into mindless zombies who obey their implanted commands. Worse, corporate executives turn some women into their ideal woman, called Exotic Escorts (EE women), sex doll or toys for the wealthy. The second novel, Organ Donors, continues the unraveling. At the time of this sequel, the resistance movement has invented a technology to get an implant destimulated and the awful effects of the psych drug eliminated, salvaging a person. Because they are able to undo...

Reviews

A top quality ebook as well as the typeface used was interesting to see. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.
