iUniverse, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. What if may have replaced once upon a time in fantasy fiction. The Dream of Althazar dares our imagination to follow a journey of major What ifs. Are not journeys-quests -the very core of fantasies? Now, what if the Wise Men-the Magi-were not the only ones to follow the Star of Bethlehem? And what if this other star journey was a bit skewed in time, places, and especially its characters? Althazar, a very special bear, is commissioned by his father to follow a star to Althazar s special, though unknown, life s destiny. Althazar is instructed to journey in peace, with civility and respect for all creatures and cultures. On this unusual mission, Althazar gathers in some unusual volunteers: Lothar, a restless bored wolf; Greyl, a grief-stricken lonely goose; Borab, an opportunistic gourmet wild boar; and Dromed, an aged camel left behind from the Magi s original star journey. These five very different animals come together with their unique differences for one common commitment-the journey-and ultimately connect with a sixth animal-Solomon, the donkey who ties together the Magi story, their Star, the camel Dromed, and a very special love that illuminates one dream-and invites yet another.
