The Early Years: Trail of Discovery (Third Edition) We all come into this world alone, and go out the same. Between coming and going, is life. The Early Years is a story about life and how a yearlong adventure defines the future for a young man named Dutch Clarke. Manipulated by the terms of his dead Grandfathers will, Dutch undertakes a one-year ordeal in the rugged wilderness of British Columbia in 1941. This is a classic story of one mans personal struggle to come of age against all odds. Dutch begins his trek accompanied by his horse Blaze, two mules and a half wild dog, Gus. As they pack into the remote Nascall Valley, he digs deep, learning courage, self-reliance and how to survive. On this unforgiving trail, Dutch faces many obstacles, some life threatening, some inspiring and all a challenge to his character and spirit. This poignant story is written in a powerful narrative style that draws the reader ever deeper, propelling them from one adventure to the next. The Early Years is the story of redemption, love, birth, and death. A heart-felt story that relates the events that shape its characters lives in an edge-of-your-seat survival saga.
