## Geographical Society of California: Special Bulletin (Classic Reprint)

By Thomas Crawford Johnston

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Geographical Society of California: Special Bulletin Perhaps no question has so much perplexed the scientists of the past four hundred years as the vexed one of the origin of the Aztecs and the ancient and high civilization of Central America that confronted the Spanish conquerors on their arrival, and that up to the present period has received no satisfactory solution. It is therefore with great pleasure that this Society presents to the scientific world the following most valuable and scholarly paper of Mr. Johnston s which seems in a fair way to clear up the mystery which has so long shrouded this interesting region. In order that this desirable result may be attained we invite the co-operation of the learned in this and other countries and shall be happy to receive communications either throwing, light on the three absorbing topics embraced in this paper or inviting discussion on whatsoever points may appear doubtful, so that d accord with Mr. Johnston we may be enabled to furnish such information as the vast fund of material which...
