Montessori At Home!. Paperback. Book Condition: New. Paperback. 168 pages. Dimensions: 8.8in. x 6.0in. x 0.4in. If an expensive preschool is not an option, create one at home! Written by an experienced Montessori Teacher, this unique guide has years of fun activities and the information you need to help your child develop strong brain architecture, a positive self-image, and advanced skills in math, reading, and writing a perfect preparation for success in school. You can do this! From 3-6, a child's brain is fully engaged in opening new nerve pathways and developing the executive functions like working memory, planning, and multi-tasking ability. We build most of our brain nerve architecture for life by age 6. The early years are when we can make the most powerfully positive difference in a human being's life. All the activities you need are here: Practical Life, Sensorial, Art and Music, Science, Language, and Mathematics. Hundreds of links to the best videos, sites, blogs, and free materials are integrated into the text to support your home early learning efforts and save you untold hours of searching. Most activities use common, inexpensive items parents may already have. Recommendations are also given for affordable Montessori and other quality early learning materials; and over 225 of the best educational tablet apps, as well as a guide to how and when to introduce preschoolers to digital media, so you won't always have to say no to screen time. No other resource offers parents of preschoolers so much at such a reasonable price. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
