But you can bridge these years - you can stop guessing at success. While your competitors are still estimating their cost to sell, you can make your itemized expense sheet show your gain on every line you handle. When you guess in the difference between buying and sale price, you guess in your profit. When you gamble on Exvense, you are gambling with your business die. Paper profits are no insurance for the merchant who keeps his expenses in the dark or fears to face them. Turn the light on your business! Face the facts! Itemize Expense, and make your price to cover. Think nothing of the large gross profit, for out of it must come all your running expenses. Know your cost to run and measure your success only by net profit. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
