The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

In this instance, I hope that the SEC will complete the task that we set out to do last year and will issue a final regulation soon. Mr. Chairman, Ranking Member Kanjorski, again, I wish to ex-press my sincere appreciation for you holding this important hear-ing today. I yield back the remainder of my time. Chairman B. I thank the gentleman. AKER Ms. Bean, did you have a statement Is there any member wishing to make a further statement If not, at this time, I would like to proceed to call on our panel, and I am, again, appreciative for so many of our distinguished par-ticipants willing to give us their time this afternoon. Our first is Mr. Edward...
